Five band members who believe music is life itself. Reflecting the best of Rhythm and Blues from the 1950's to the 21st century, but always seeking a new twist to the old songs, which they mix freely with their own creations.

3am New CD Now Available!

Rhythm n Blues: the "feel-good" side of the Blues - all that angst played out to a rhythm that won't be denied. [Click here to buy.](#)
